REQUEST FOR BIDS/PROPOSALS COVERSHEET

THE UNIVERSITY OF SOUTHERN MISSISSIPPI
Procurement and Contract Services
118 College Drive #5003, Hattiesburg, Mississippi 39406-0001

Date: __November 26, 2018__

**Bid No. 19-18**

THE UNIVERSITY OF SOUTHERN MISSISSIPPI is considering the purchase of the following item(s). We ask that you submit your bid and retain one copy for your files. Right is reserved to accept or reject any part of your bid. Your quotation will be given consideration if received in Bond Hall, Room 214 on or before:

2:00 p.m. CST

December 13, 2018

Buyer: Jessica Turner

---

**NOTE:** If you cannot quote on the exact material shown, please indicate any exception giving brand name and complete specifications of any alternate. If additional space is required, use a separate sheet or letter of transmittal.

Bid 19-18 High Resolution AFM-STM

PROPOSAL MUST BE RETURNED TO THE UNIVERSITY IN ACCORDANCE WITH THE SPECIFICATIONS. RFP NUMBER AND DATE OF BID OPENING MUST BE SHOWN ON THE OUTSIDE OF THE ENVELOPE IF USING THAT METHOD.

We quote you as above-F.O.B. The University of Southern Mississippi. Shipment can be made in _______ days from receipt of order. DATE ______________ TERMS _____________________________________________

Return quotation to Procurement Services at above address.

Signature Required

AA/EOE/ADA
1.) Failure to examine any drawings, specifications, and instructions will be at bidder’s risk.

2.) Samples of items when called for must be furnished free of expense and if not destroyed in testing, will, upon request, be returned at the bidder’s expense. Request for the return of samples must be made within ten (10) days following opening bids. Each individual sample must be labeled with bidder’s name and manufacturer’s brand name and number.

3.) Bids must be signed and sealed with bidder’s name and address on the outside of the envelope, and the time and date of the bid opening and the bid file number shown in the lower-left corner of the packages; envelopes, express mailing labels, boxes, etc.

4.) In order for your bid to be considered, it must be received and time stamped in our office by 2:00 P.M. of the bid opening date. It is the responsibility of the vendor to ensure their bid is received within the appointed time. If your bid package is not received in Bond Hall, Room 214, by 2:00 P.M. of the bid opening date, it will not be considered.

If you are delivering your bid, you need to hand carry the bid package to:

The University of Southern Mississippi
Procurement Services
Bond Hall, Room 214
Hattiesburg, Mississippi

If you are mailing your bid package via U.S. Postal Service, mail to:

The University of Southern Mississippi
Procurement Services
118 College Drive #5003
Hattiesburg, MS 39406-0001

If you are express mailing your bid package via Federal Express or UPS, or any other delivery service which requires the use of a physical address, deliver to:

The University of Southern Mississippi
Receiving Department
2609 West 4th Street
Hattiesburg, MS 39401
5.) Bids or proposals shall not be modified, corrected, altered, or amended after the specified closing time and the opening of such bids, unless otherwise noted in the request for bids or proposals.

6.) The University of Southern Mississippi reserves the right to reject any and all bids, to waive any informality in bids, and unless otherwise specified by the bidders, to accept any items on the bid. If the bidder fails to state the time within which bids must be accepted, it is understood and agreed that The University of Southern Mississippi shall have 60 days to accept. The University of Southern Mississippi reserves the right to make an award to this bid on an all or none basis, or on a line by line basis, whichever serves the best interest of The University of Southern Mississippi.

7.) Contracts and purchases will be made or entered into with the lowest, responsible bidder meeting specifications.

8.) A written purchase order or contract award mailed or otherwise furnished to the successful bidder within the time of acceptance specified in the Invitation for Bid results in a binding contract without further action by either party. The contract shall not be assignable by the vendor in whole or in part without the written consent of The University of Southern Mississippi.

9.) Bid files may be examined during normal working hours by bid participants. Non-participants will be prohibited from obtaining any information relative to the bid until the official award has been made.

10.) If purchase orders or contracts are canceled because of the awarded vendor’s failure to perform or request for price increase, that vendor shall be removed from our bidders’ list for a period of 24 months.

11.) No addendum will be issued within a period of two (2) working days prior to the time and date set for the bid opening. Should it become necessary to issue an addendum within the two-day period prior to the bid opening, the bid date will be reset giving bidders ample time to answer the addendum.

12.) Alternate bids, unless specifically requested or allowed, will not be considered.

13.) Bid openings will be conducted open to the public. However, they will serve only to open the bids. No discussion will be entered into with any vendor as to the quality or provisions of the specifications, and no award will be made either stated or implied at the bid opening. After the close of the bid opening meeting, the bids will be considered to be in the evaluation process and will not be available for review by bidders. Proposal openings are not required to be open to the public; however, the resulting award is open for public inspection.

14.) Prices quoted shall be firm for the term of the contract or for the stated time of
15.) The bidder understands that The University of Southern Mississippi is an equal opportunity employer and, therefore, maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, or any other such discrimination; and the bidder, by signing this bid, agrees during the term of agreement that the bidder will strictly adhere to this policy in its employment practices and provision of products or services.

16.) Bidders must upon request of The University of Southern Mississippi furnish satisfactory evidence of their ability to furnish products or services in accordance with the terms and conditions of these specifications. The University of Southern Mississippi reserves the right to make the final determination as to the bidder’s ability.

17.) Questions or problems arising from bid procedures should be directed to the Buyer listed on the solicitation at:

The University of Southern Mississippi
118 College Drive #5003
Hattiesburg, MS 39406-0001
Phone: (601) 266-4131

18.) All items must equal or exceed the specifications listed. The absence of detail specifications or the omission of detail description shall be recognized as meaning that only the best commercial practices are to prevail and that only first quality materials and workmanship are to be used.

19.) It is the intent of the specifications to obtain a product that will adequately meet the needs of the user while promoting the greatest extent of competition that is practicable. It is the responsibility of the prospective bidder to review the entire Invitation to Bid packet and to notify The University of Southern Mississippi if the Specifications, Instructions, General, or Special Conditions are formulated in a manner which would unnecessarily restrict competition.

20.) It shall be incumbent upon the bidders to understand the specifications. Any requests for clarifications shall be in writing and shall be submitted to our Procurement Services office at least five (5) days prior to the time and date set for the bid opening, unless otherwise noted in the bid or proposal specifications.

21.) The minimum specifications are used to set a standard and in no case are used with the intention to discriminate against any manufacturer. Bidders should note the name and the manufacturer and model number of the product they propose to furnish and submit descriptive literature.

22.) Trade names, brand names, and/or manufacturer’s information used in these specifications are for the purpose of establishing quality, unless otherwise noted. Bids on
products of other qualified manufacturers are acceptable, provided they are demonstrated as equal to those specified in construction, design and suitability. Each bidder shall submit with his bid a complete brochure with pictures on each item and shall point out specifically any deviations from the specified items. Failure to do so may disqualify any bid. Please bid as specified or an approved equal.

23.) A copy of the manufacturer’s standard guarantee/warranty shall accompany and become a part of this bid.

24.) There are no federal or state laws that prohibit bidders from submitting a bid lower than a price or bid given to the U.S. Government. Bidders may bid lower than U.S. Government contract price without any liability as The University of Southern Mississippi is exempt from the provisions of the Robinson-Patman Act and other related laws. In addition, the U.S. Government has no provisions in any of its purchasing arrangements with bidders whereby a lower price to The University of Southern Mississippi must automatically be given to the U.S. Government.

25.) All invoices, unless noted otherwise, are to be billed to:

The University of Southern Mississippi
Accounts Payable
118 College Drive #5104
Hattiesburg, MS 39406-0001

26.) All equipment bid shall be of current production and of the latest design and construction.

27.) Where all, or part(s), of the bid is requested on a unit price basis, both the unit prices and the extension of the unit prices constitute a basis of determining the lowest responsible and responsive bidder. In cases of error in the extension of price, the unit price will govern.

28.) Should the University of Southern Mississippi close due to inclement weather conditions, or any other unforeseen events on the bid opening date, sealed bids will open the following business day at the same time and location.

29.) As an alternative to traditional sealed bids in envelopes, the University of Southern Mississippi is capable of receiving electronic bid responses. While this option is available, it is not required and we ask that all potential respondents keep in mind that with any electronic system there could be delays or glitches with the submission process; therefore the University highly encourages traditional sealed bids which are either mailed or submitted in person. Should a vendor choose to submit their response electronically, please follow the instructions below using the following website: [https://www.ms.gov/dfa/contract_bid_search/Home/Sell](https://www.ms.gov/dfa/contract_bid_search/Home/Sell). On this site you will find helpful links to procurement opportunities, as well as a link to supplier registration. If not already registered in this system, potential bidders will first need to click on ‘Supplier
Registration’ and follow the steps outlined (a one-time process). Once registered, they can return to the original website and click on ‘Procurement Opportunities’ where they can either search by keyword for the bid they desire to respond to or leave the search box blank and click ‘Search’ for a listing of all current bids and proposals for the various State of Mississippi offices.

With regard to construction bids, there is one additional step required during the bid submission process. Along with the bid response and other attachments, contractors will also need to attach their Certificate of Responsibility (COR), or a statement that the bid enclosed does not exceed Fifty Thousand Dollars ($ 50,000.00). If their COR or such statement is not attached, the bid will be invalid and not considered.

Request for Bid# 19-18  
USM - Fast Scan High Resolution AFM/STM

General Specifications

The University is requesting a fast scan and high-resolution AFM/STM system or equivalent that meets or exceeds the following specifications:

Equipment

System Specifications:

The system should include following specs:
• <1μm Diffraction limited optics
• User selectable detection laser source and spot size – made for small cantilevers
• Atomic resolution imaging in closed loop operation
• Truly modular scanners – The entire XYZ scan unit is a module
• Unprecedented drift control/ stability

The system should meet the following specifications:

• Deflection Noise: <20pm
• Bandwidth: DC to 7MHz standard
• Spot Size: User selectable and exchangeable. Both RF modulated laser diode (LD) and low coherence super luminescent diode (SLD) light sources are available with focused spot sizes of 10x30μm or 3x9μm for optimum performance with each cantilever and research application.
• Controls: Laser spot positioning and photodiode detector centering controls are motorized and fully controlled through the software. Automatic alignment allows the user to simply click on desired location of the cantilever for the laser spot and the software controls the motors to position the laser. In addition, the photodiode signals are automatically centered.

The closed loop scanners should meet the following specifications:

A variety of scanner modules are planned to expand the range of specific applications. All scanner modules include independent XYZ actuation along with a motorized cantilever engages stage.

• Scan Range: The standard scanner provides XY range of 30/40 μm (closed/open loop). The Z range is 5/7μm (closed/open loop).
• NPS Sensor Noise: Digital linear Variable Differential Transformer (LVDT) sensors provide XY noise of <60pm and Z noise of <50pm. Closed loop scan performance produces lattice resolution at <10nm scans with feedback gains at the same level with larger images acquired at >1μm.
• Vibration Immunity: <10pm coupling into deflection for 1mm/s² floor acceleration.
• XY Sample Drift: <20/150nm/ºC (with/without temperature control module).
• Out-of-Plane Motion: Tilt is <10nm per micron of travel and Bow is <10nm over full scan range.
• Sample Dimensions: 15mm diameter by up to 7mm thick.

The viewing modulus should meet the following specifications:
Illumination: LED based Kohler illumination with manual controls for aperture and field diaphragm adjustments. Intensity is software controlled.

Resolution: Diffraction limited performance (<1μm) with apochromatic correction. NA = 0.45

Field of View: 690μm x 920μm

Camera: 3.1 megapixel CMOS camera with FireWire interface. Digital zoom, pan and capture controls along with software controlled white balance, shutter speed and binning.

The Controller should meet the following specifications:

- ADC’s:
  - Two 16-bit, 80MHz
  - One 16-bit, 5MHz
  - Six 18-bit, 2MHz
  - Five 16-bit, 100kHz

- Capture Buffer: 512MB

- DAC’s:
  - Four 16-bit, 40MHz
  - One 16-bit, 10MHz
  - Four 24-bit, 1.25MHz
  - One 24-bit, 400kHz
  - Five 24-bit, 100kHz

- Firmware Devices: the tool should be equipped with several firmware upgradeable devices that run real-time SPM specific operations, including Lock-in amplifiers, Q-control, IIR filters and feedback loops.
- Field Programmable Gate Array’s (FPGA’S): Four FPGA’s running at up to 667MHz.
- Processors: Floating point DSP running at 80MHz and Dual-core NIOS in FPGA.
- Digital Lock-in Amplifiers: Two dual frequency quadrature lock-in’s at up to 20MHz and one dual-frequency quadrature lock-in at 5MHz.
- Frequency Synthesizers: Two dual-frequency synthesizers output at 40MHz (Frequency range DC to 15MHz in 9mHz steps). One dual-frequency synthesizer output at 10MHz (Frequency range DC to 2MHz in 2mHz steps).
- Dual Quadrature Outputs: R_{1,2}/\theta_{1,2} (Amplitude/Phase) and i_{1,2}/Q_{1,2} (R\cos\omega/R\sin\omega for each lock-in).
- Digital Q-Control: 2kHz- 20MHz.
- Feedback Loops: Sixteen proportional-integral gain controllers along with more advanced controls such as H_{\infty}.
  - Six Loops running at 100kHz
  - Ten loops running at 2MHz

- Infinite Impulse Response Filters: The tool should provide IIR filters running at 2MHz and 100kHz. The 2MHz filters provide software programmable low pass filters while the 100kHz filters provide software programmable low pass, high pass, band pass or notch modes.
- Cross-point Switches: Two software-controlled cross-point switches which allow the user to re-route signals within, to and from the instrument without using complicated external wiring and cabling.
One 16x16 digitally controlled
One 32x32 digitally controlled

- Software Controlled Relays: The user has software control over the XY&Z high voltage along with the laser power.

The Software should meet the following specifications:

The software should base within IGOR Pro (from Wavemetrics, Inc). The code is open source providing a powerful easy to customize control platform for everyone from the novice AFM scientist to the power user who requires control of every aspect of the experiment. There is no charge for multiple copies or users (requires a valid IGOR license).

STM should meet the following specifications:

System must support Scanning Tunneling Microscopy (STM) capable of generating images at constant current or constant height, and point spectroscopy plots (I/V) at user defined locations. STM probe holder must include integral preamp. Standard gain must include 1x10^9 volts / amp amplifier to offer current range of 1pA to 10nA. Successful high resolution STM imaging can only occur on an instrument with a small mechanical path between tip and sample.

Installation/Training

Vendor must complete installation which includes set-up, calibration, and onsite training. Final machine location, electrical, and air connections will be made by the vendor. Vendor must agree to minimum two-day training on basic machine setup and operation.

Warranty

Bidder shall submit copy of written warranty. The University is requesting a minimum 10-year warranty period on the interferometer, including parts and labor.

Freight

The university is requesting delivery to University of Southern Mississippi Polymer Science Building, Hattiesburg, MS, USA.

Copies

At least one (1) signed original and two (2) copies of the bid response MUST be provided. The University requires a portable electronic virus/malware free copy (CD, thumb drive) of the bid response from the responding Vendor to be included in the bid response package. If an electronic copy is not included, the University reserves the right to request an electronic copy of the exact bid response prior to review of the bid.

Mandatory Legal Provisions

- Any provisions disclaiming implied warranties shall be null and void. See Mississippi Code Annotated Sections 11-7-18 and 75-2-719(4). The Vendor shall not disclaim the implied warranties of merchantability and fitness for a particular purpose.
• The Vendor **shall** have no limitation on liability for claims related to the following items:
  o Infringement issues;
  o Bodily injury;
  o Death;
  o Physical damage to tangible personal and/or real property; and/or
  o The intentional and willful misconduct or negligent acts of the Vendor and/or Vendor’s employees or subcontractors.

• All requirements that the University pay interest are deleted, except for those in conjunction with USM’s standard payment terms of Net 45 days. Payments made beyond 45 days are subject to late fees and interest.

• Should any of the terms and conditions in the purchase contract be in conflict with the laws of the State of Mississippi, the laws of the State of Mississippi **shall** supersede and govern. A revision of the terms and conditions will be required to ensure compliance with Mississippi state law.

• The University shall **not** pay any attorney's fees, prejudgment interest or costs associated with any legal action to or for the Vendor, except that which are ordered by a court of competent jurisdiction.

**Payment**

The currency used for payment of costs will be in United States dollars.

State law requires that the University receive an **original invoice** from the Vendor and that payment of the invoice is processed **within 45 days of receipt** (Miss Code 31-7-305). The invoice should be on the Vendor’s letterhead and/or include an original Vendor representative signature.

**USM Terms and Conditions**

Unless written exception is provided in the bid response, the winning Vendor agrees to be bound by the USM Terms and Conditions, which are incorporated herein, and may be found at [https://www.usm.edu/procurement-contract-services/usm-terms-and-conditions](https://www.usm.edu/procurement-contract-services/usm-terms-and-conditions).

**Delivery**

Quote the lead time required for delivery of the quoted equipment. Quoted prices should be F.O.B. Destination (Hattiesburg, MS) Freight Allowed.
