RESIDENCE LIFE HANDBOOK
LIVE. LEARN. CONNECT. SUCCEED.
THE UNIVERSITY OF SOUTHERN MISSISSIPPI.
Welcome to Southern Miss and thank you for choosing to live on campus. The college experience is made more special by residing on campus with other students and being a part of a community.

Our residence halls are only a short walk from classrooms, labs, libraries, professors’ offices, the clinic, dining establishments, athletic and intramural playing fields, and the Payne Center. You are living in the center of all the action! This provides you an incredible opportunity to develop lifelong friendships, get involved in student organizations, and experience all facets of campus living. For many, college is a life-changing experience. The Department of Residence Life will help make your campus housing experience meaningful and supportive of academic success.

Please know that living on campus comes with some expectations. We expect you to be respectful of others’ space, property and differences. We expect you to be good citizens by helping us sustain our environment. You can do this by making a dedicated effort to minimize water and electricity usage and actively participating in campus recycling efforts.

We also encourage you to get involved in student organizations. Southern Miss has more than 225 for you to choose from, so get involved and experience one of the aspects that make Southern Miss special.

We provide this handbook as a resource to you. We hope that you find this information helpful. Remember that we are here to provide support and assistance. While we may not have all the answers, we will connect you to the people who do. Feel free to contact your resident assistant (RA), your front desk assistant (DA), or your Residence Life coordinator (RLC). We are all here to ensure your campus living experience is an enjoyable one.

Thanks again for choosing to live on campus at Southern Miss. Good luck with your academic pursuits and life in the halls.

Respectfully,
Dr. Scott Blackwell
Director, Department of Residence Life

HOUSING FOR STUDENTS WITH DISABILITIES
If a student needs a reasonable accommodation made to a residence hall space for reason of disability, the information regarding the accommodation should be provided in the online housing application. If you have difficulty accessing any portion of the website or completing the housing application with adaptive technology or because of a disability, please contact Ms. Sabrina Johnson in the Residence Life central office (100 Hickman Hall) between the hours of 8 a.m. and 5 p.m., Monday - Friday, at 601.266.4783 or sabrina.l.johnson@usm.edu.

It is the student’s responsibility to also contact the Office for Disability Accommodations (ODA) at 601.266.5024 between the hours of 8 a.m. and 5 p.m., Monday – Friday, about the need for accommodations at the university. The ODA will verify eligibility, and if accommodation for residence hall space is granted, the Department of Residence Life and the ODA will work together to implement the accommodation.

BREAK HOUSING
It is the student’s responsibility to make reservations for housing and find a roommate to share expenses during the breaks. Residence Life is not responsible for accommodations during this time.

RESIDENCE LIFE STAFF

ASSISTANT DIRECTORS
Assistant directors are responsible for all staff members and hall functions within their areas. There is a full-time professional assistant director for each area (freshmen housing and upper-class housing). Each assistant director may be reached at his/her office between the hours of 8 a.m. and 5 p.m., Monday through Friday. One professional staff member is available 24 hours per day, seven days a week for emergency situations. This staff member may be contacted via the hall staff or UPD.

RESIDENCE LIFE COORDINATOR (RLC)
These live-in, professional staff members oversee our largest buildings. There is one for Century Park North, Century Park South, Hattiesburg Hall, Hillcrest Hall, Jones Hall, McCarty Hall, Mississippi Hall, The Village and Wilber Hall. A RLC also coordinates academic initiatives and assessments in the department.

HALL SUPERVISORS (HS)
Your hall supervisor coordinates the administrative procedures of your hall. Your hall supervisor lives in your residence hall and is ready to help with your needs.

ASSISTANT HALL DIRECTOR (AHD)
In all of the halls, there is an assistant hall director. This is a student with previous experience as a resident assistant who assists with the administrative procedures and programming. The AHD also resides in the building.

RESIDENT ASSISTANT (RA)
One of the first individuals you will meet is your resident assistant, the staff person who lives on your floor. The RA is carefully selected for his or her commitment to helping others. They are a valuable resource for questions you may have.

DESK ASSISTANT (DA)
Desk assistants are students who work at the front desks in the lobbies of each hall. These students are responsible for greeting visitors, checking in guests during visitation hours, making announcements, answering the phone, checking IDs and performing general desk duties.

STUDENT ACADEMIC MENTOR (SAM)
Student Academic Mentors are upper-class students who academically mentor freshmen residents. This peer-to-peer SAM program focuses on academic engagement and success at Southern Miss.

RESIDENCE HALL INFORMATION

BICYCLE RACKS
Racks where bicycles may be locked are provided adjacent to each residence hall and near many sorority houses. Bicycles should not be kept in corridors, stairwells, entry ways, porches, on sidewalks, or tied to benches or trees. Improperly parked bikes will be removed by university personnel. Be sure to register your bike or motorcycle with the Department of Parking Management. All abandoned bikes left at the end of each semester will be removed by UPD.

CAMPUS MAILBOX
All residence hall students are required to have a Southern Miss post office box (located in the Thad Cochran Center). Students must visit the Post Office in order to receive their P.O. Box numbers.

CARD ACCESS SYSTEM
Each residence hall is equipped with a card access reader. Your student ID card will give you access to your residence hall but will not allow access to any other halls. Each student ID card is personalized to the respective student. Each time a card is used for an attempted entry, the student’s name, hall, time and date will be registered on a computer printout. Each student is responsible for his/her own ID card. In the case of a lost card, the student should notify the hall staff as quickly as possible. *Allowing another individual to use your ID to access your room or building is a misuse of access and will result in disciplinary action.

CENTURY PARK NORTH LEARNING CENTER
Residents wishing to reserve space in the Century Park North Learning Center should send an email request to sabrina.l.johnson@usm.edu including the following:
1. Name of the student group and if it is an approved student organization on campus
2. Name of person responsible for the room (the person signing the form and responsible for any damages)

For more information, please contact Sabrina Johnson in the Residence Life central office at 601.266.4783. *Center is to be used for official university business, RA programming and academic purposes only (no parties, showers, etc.). Sleeping overnight in the center is prohibited.

HOUSEKEEPING
In the traditional residence halls (Jones and Wilber), housekeeping staff clean all public areas daily – bathrooms, corridors, study rooms, lounges and lobbies. In the suite-style residence halls (Century Park North/South, Hattiesburg, Hillcrest, McCarty, Mississippi and The Village), housekeeping staff daily clean corridors, study rooms, lounges, lobbies and restrooms. Residents are responsible for the cleanliness of their own rooms and the common areas in the suites. Residents of suite-style buildings are also responsible for providing their own shower curtains and toilet paper.
*Rooms and bathrooms must be left clean upon termination of occupancy; failure to do so will result in a cleaning charge.

LAUNDRY FACILITIES
Washers and dryers are located throughout Century Park North and South, in Hickman, Hillcrest and McCarty halls, as well as The Village. Central laundromats are located in “The Quad” area and at Pine Haven. Residence hall students are able to use the laundry facilities free of charge. Access to the facilities is obtained by using your access card. Laundry services are to be used by residence hall students only.

LOST ARTICLES
Items found on campus should be turned in to the University Police Department where owners can claim them. Notice of any lost items should be filed there. Items found in the residence halls should be turned in to the hall staff. To claim any lost items, it is important that you have all your possessions identified with either your student ID number or serial numbers.

MAINTENANCE REQUESTS
Each student is able to enter his/her own maintenance request online from this link: www.usm.edu/residence-life/maintenance-request-residence-halls. (If you have difficulty entering your work order, hall staff will be able to assist you). Students who enter their own requests will receive an email response to let them know when their requests have been completed. When maintenance staff arrives to complete a work request, the area/room should be completely clear. Furniture should be moved, clothes picked
up from the floor, and all personal belongings arranged in a manner that allows the worker access to the work area. If the worker arrives and the student's room is not in the condition to accomplish the job, the work order will not be completed. The maintenance staff will return the next day to complete the work order. If the room is still not in a workable condition, the work order will be closed, and the student will need to resubmit the request. Work orders received after midnight will be scheduled for the next day, unless an emergency exists. *Contact the RA on duty if there is a maintenance emergency after hours.

MEAL PLAN
All students who live in the residence halls are required by the university to purchase an Eagle Dining meal plan. All residence hall students are automatically assigned a seven-day meal plan; however, students may change to a different plan. For further information concerning the meal plan, please contact the Eagle Dining office at 601.266.5376 or visit their website at www.campusdish.com/en-US/CSS/UnivSouthernMS/MealPlans/ResidentMealPlans.htm.

MOTORIZED VEHICLES
Motorized vehicles (i.e., motorcycles, golf carts) are not permitted inside the gated communities and are subject to removal if parked within.

PEST CONTROL
Pest control service is provided on a regular basis for all the residence halls. If you are experiencing a problem with insects that requires additional attention, complete a maintenance request form online.

PHONE SERVICE
Students wishing to have a room phone must visit the iTech office to request phone service. (Phone service fee is included in the residence hall rates.) Phones will be located on each floor for emergencies/911 access. *NOTE: It is against the law to make false 911 calls. Students who make false 911 calls will be penalized according to the university and state of Mississippi policy on the abuse and misuse of phone services.

UNIVERSITY EMAIL
All students at the university are automatically assigned an official eagles.usm.edu email address. It is the obligation of each student to activate his or her email account, to routinely check it for new messages, and to keep it in good working condition.

The university and the Department of Residence Life will use this email account to send official communication to students such as reassignment details, housing assignments, important dates and reminders, as well as information regarding your room (i.e., maintenance).

For more information about your eagles.usm.edu email account, please contact iTech at 601.266.4357 or helpdesk@usm.edu.

VENDING SERVICES
Throughout the campus, you will find conveniently located snack and beverage machines. Refunds for losses in all snack and drink machines are handled by University Vending located in the Thad Cochran Center. If you lose money in a machine, do not repeat the selection. Proceed to the Post Office in the Thad Cochran Center within 24 hours (except weekends and holidays), and your loss will be refunded. Promptly report any malfunctions, vandalism or problems to 601.266.4004. Please be aware that Section 491 - Title 18 – United States Code makes the use of slugs or foreign coins in coin-operated machines a federal offense punishable by a fine of no more than $1,000 or imprisonment of no more than a year, or both.
GETTING INVOLVED

NATIONAL RESIDENCE HALL HONORARY (NRHH)
The National Residence Hall Honorary is the recognition branch of the National Association of College and University Residence Halls (NACURH). NRHH represents the top one percent of all residents on campus. As such, through the submission of OTMs (Of the Month), NRHH recognizes those leaders in the Residence Life department and on campus who strive to better the living community. To learn more about NRHH, visit www.nrhh.org.

RESIDENCE HALL ASSOCIATION (RHA)
The Residence Hall Association was founded in 1982 at Southern Miss and currently represents more than 3,300 students who live on campus. RHA is the governing and programming board for all residence halls. This organization consists of the executive board officers, representatives from each hall and committee members. Input from all RHA members is utilized to develop campus-wide social events, respond to the issues and needs of on-campus students, and enhance the total residence hall living experience. RHA members also have the opportunity to serve as delegates to state, regional and national leadership conferences. RHA provides an excellent opportunity for you to get involved on campus and gain leadership experience!

HOW CAN I GET INVOLVED WITH RHA?

Become a committee chair. Each of the standing committees is directed by a committee chairperson. The executive board and RHA advisors with consent and approval of the RHA representatives will appoint chairpersons for these committees.

Become an executive board member. The RHA executive board is comprised of six members: director, national communications coordinator, associate director of administration, associate director of finance, associate director of public relations and NRHH president. These six individuals work as a team to oversee all RHA activities and network with other student leaders and on-campus student organizations, as well as maintain the RHA Center. The executive board is elected in February to serve in the upcoming year, receiving invaluable leadership experience for future endeavors.

The RHA Center, located on the north side, ground level of Mississippi Hall, is a large multipurpose room exclusively for students living on campus. It provides a meeting area, study space, computers, lounge area and large-screen television with opportunities to sit back and relax with friends. The RHA Center is also the location of the RHA executive board office and NRHH office. RHA meets every Monday at 5:15 p.m. in the RHA Center.

STUDENT CONDUCT BOARD
The Conduct Board serves as an option within the Residence Life Conduct Process, allowing residents who are alleged to be in violation of departmental policies to plead their cases to a group of students who also live in the residence halls. Students serving as hearing officers on the board have the ability to adjudicate cases just like administrative hearing officers (Residence Life coordinators and hall directors).

To ensure objectivity, student hearing officers cannot be employed by the Department of Residence Life or serve on SGA’s Judicial Board. Additionally, it is important that student hearing officers do not have significant conduct history.

For more information, contact the Residence Life office at 601.266.4783 or reslife@usm.edu.

HOW CAN I GET INVOLVED WITH RHA?

Become an RHA representative. Each residence hall elects RHA representatives in the beginning of the fall semester. Those elected represent the interests and ideas from their halls at weekly RHA meetings. They are responsible for taking information from RHA meetings back to the students they represent, as well as promoting RHA events within their halls. The RHA representative also serves on one of RHA’s three standing committees.

Join an RHA committee. RHA has three standing committees. The Special Events Committee plans and implements campus-wide social events for all on-campus students, including Casino Night, Midnight Breakfast, and much more. The Community Service Committee coordinates service activities, as well as fundraising efforts, for a variety of nonprofit agencies in the Hattiesburg area. The Issues and Development Committee addresses student issues and concerns and coordinates leadership development opportunities for RHA members.
Knowing who to contact in certain situations is not always so clear. This quick reference guide should provide some help. We encourage you to contact your resident assistant before calling or going to an office. Your resident assistant is your primary source for information and usually can help save you a great deal of time and effort. If your resident assistant is not available, contact your hall director, Residence Life coordinator or assistant director.

DIVERSITY
Our campus is diverse. We believe that our department should continue efforts toward hiring staff that mirror the diversity of our campus population. We also believe that we should continue to enhance efforts to educate and celebrate diversity within our department, our halls and our campus community.

RELATIONSHIPS
We value relationships. We value the relationships we develop with each other, our students, parents, colleagues and community. We believe that strong relationships are built through trust, respect, interdependence, integrity, genuineness, caring, patience and civility. We will display these qualities in our interactions with each other, our colleagues, our parents and visitors.

CONSISTENT ACCOUNTABILITY
We expect each of us to hold ourselves accountable for our actions and performance. We understand that supervisors have the responsibility of holding employees accountable for their actions and performance and expect them to do so with fairness and consistency. We believe that accountability is a critical element of student development and recognize the importance of educating our students on the value of personal accountability. We believe our efforts in this area will contribute to the success of our employees, our department and our students.

DEVELOPMENT
We are committed to the personal, professional, social and educational development of our students and staff. We desire to provide the foundation for our staff to enhance their marketability and increase their potential for promotion. Likewise, we recognize our responsibility to mold our students to be successful graduates and stable citizens for our society. We are driven to provide opportunities for holistic student development.

RISK
We understand and value risk. We believe that without risk, organizations and their employees become complacent and stagnant. We believe that change requires risk and that risk allows for the infusion of innovation, creativity, technology and progress. Risk is the path through which our vision becomes our present success. We recognize that risk requires responsibility and flexibility. We will manage risk well. We will be analytical, thorough and realistic when evaluating risk. We are confident that calculated, well-timed risks will lead to superiority.
FUN
We value having fun! We believe that a fun working environment promotes healthy relationships. We believe it is important to be able to laugh at yourself, as well as with someone else. It is important to enjoy coming to work each day, and we believe that having fun is a critical element to that. It is more than okay to have fun.

EXCELLENCE
We are committed to being excellent. We understand that for our department to be described as excellent, each person must perform at that level. We have high expectations for ourselves, our co-workers and our department. We will value the contributions of each member of our team and will caringly assist each other to perform at this level. We view excellent customer service as exceeding the expectations of the customer while sustaining our mission of developing the whole student. We will ask guiding questions; provide accurate, timely information; and communicate with a friendly voice. Our customers will recognize through their interactions with our staff that we are glad they have chosen Southern Miss.

SOUTHERN MISS STANDARD

The Southern Miss Standard was developed to embody the values we hope residents possess. At the same time, the University is strongly committed to freedom of expression. Consequently, these principles do not constitute University policy and are not intended to interfere in any way with a resident’s personal freedoms. We hope, however, that residents will voluntarily endorse these common principles, thereby contributing to the traditions and scholarly heritage left by those who preceded them, and will thus leave Southern Miss a better place for those who follow. We encourage residents to demonstrate respect, integrity and compassion in every facet of their University life, thus ensuring the success of each resident. Our community will be our strength as each resident values and appreciates scholarship, service and involvement, and assumes an active role in our society.

Implicit within the Southern Miss Standard is:

- A respect for the hall environment and university property;
- A respect for language that is appropriate, never obscene, and neither demeans nor intimidates.
- A respect for the level of noise at all times and an understanding of how personal noise levels affect others in the community;
- A respect for the academic community and a commitment to the academic principles of scholarly study and class attendance;
- A respect for the differences that exist among residents and a commitment to know the members of the floor/hall;
- A respect for the staff of the hall and compliance to all policies and procedures;
- A respect and adherence to the principles of truth and honesty; and
- A respect for all safety measures and the adherence to safety practices.
THE CREED AT SOUTHERN MISS

I belong to a community of scholars at The University of Southern Mississippi.

I will demonstrate integrity and determination in all academic pursuits.

I will appreciate the value of differences among people, customs and viewpoints and oppose hatred, bigotry and bias toward others.

I will exhibit behavior and choose language that demonstrates respect for fellow members of the Southern Miss community.

I will respect others by honoring their rights, privacy and belongings.

I will value human dignity in my academic, social and employment settings.

I commit to exhibiting civil behavior, demonstrating responsible citizenry, and doing my part to achieve a positive and secure living and learning environment for all.
ABOUT ROOMMATES

One of the most rewarding aspects of Residence Life is the opportunity to establish close friendships with people from a variety of backgrounds. Whether your roommate is a close friend from home or you are meeting for the first time, your roommate relationship can work and even be fun. Most people enjoy the company of others, and your roommate can be someone to share ideas, interests and good times with.

For many, sharing a room is a new experience and can sometimes result in a few misunderstandings. It is important to realize that not only do you have a roommate, but you are a roommate. Getting along usually requires work, but the benefit of establishing friendships makes the work worthwhile. Even if a lifelong friendship is not established, learning to respect each other’s differences without infringing on one another’s freedom can be a valuable part of your education. Southern Miss also provides a service called Roommate Connection. Please check out our website for more information.

ROOMMATE BILL OF RIGHTS

As a residence hall community member, these are the rights you can expect and have a responsibility to maintain:

• The right to read and study free from undue interference in one’s room (Unreasonable noise and other distractions inhibit the exercise of this right.)
• The right to sleep without undue disturbance from noise, guest of roommate, etc.
• The right to expect that a roommate respect one’s personal belongings
• The right to a clean environment in which to live
• The right to free access to one’s room without pressure from a roommate
• The right to personal privacy
• The right to host a guest with the expectation that guests are to respect the rights of the host’s roommate(s), other hall residents and the visitation policy
• The right to address grievances (Staff members are available for assistance in solving conflicts.)
• The right to be free from fear of intimidation, physical and/or emotional harm, and racial or sexual harassment

HELPFUL HINTS TO MAKE IT WORK

1. COMMUNICATE
The key to a successful relationship with your roommate is communication. Sit down and talk about habits, preferences, moods and values. Even if your roommate is your “best friend,” you will be surprised to find out some things you did not know about him/her. If something is bothering you, the sooner you talk about it, the sooner it can be resolved.

2. BE UNDERSTANDING
Everyone has those days when everything seems to go wrong, and bad moods are a result. Try to be understanding and help one another through the hard times. Making it through the rough days builds stronger friendships.

3. ESTABLISH “HOUSE” RULES
To avoid misunderstandings, it’s important to establish ground rules regarding each other’s belongings, room cleaning (There is a wide spectrum between “neat freak” and “total slob.”), phone use and visitation. Complete a roommate contract at the beginning of the year to assist with establishing boundaries. If you each know where the other stands on these matters, then everything will work smoother.

4. GIVE EACH OTHER SOME SPACE
Togetherness is great, but you can have too much of a good thing. Consider your roommate’s need for time alone and establish your own quiet time also.

5. BE OPEN-MINDED
If you do not have a particular roommate in mind, you need to keep an open mind toward having a roommate who may be different from you.
EXPECTATIONS

Every community needs a basic framework within which all members are expected to live cooperatively. The residence hall setting presents a special kind of living situation where students are living in close contact. In this special living situation, it is most important that all residents be informed and respectful of the guidelines that help maintain a harmonious environment.

Residence hall students are expected to follow the “Code of Student Conduct” as explained in the Southern Miss Student Handbook, the Residence Life Handbook, the Southern Miss Standard and the Southern Miss Creed. As a member of the residence hall family, you are responsible for becoming aware of and observing all published rules affecting your status with the university.

POLICY VIOLATIONS

Violation of residence hall rules and regulations will be processed by the Department of Residence Life and/or the Dean of Students Office. Appropriate sanctions will be imposed up to and including cancellation of the residence hall contract and removal from campus housing without refund of fees.

PRIVACY OF RESIDENTS

All due respect is given to the privacy that residents enjoy in their own rooms. Occasionally, circumstances present themselves that necessitate authorized university personnel to enter a student’s room. Authorized staff have the right of entry into a student’s room for custodial purposes and general maintenance, assessment of damages, inventory of university property, determination of violations of public health and sanitary regulations, compliance with university rules, regulations and policies, and emergencies where imminent danger of life, safety, health or property is reasonably suspected. When possible, advance notice of need for entry will be given to the student occupants. Only duly authorized law enforcement authorities following appropriate legal procedure are entitled to enter and search residence hall room and residents’ belongings. As a general rule, prior notice is given to appropriate university personnel in order for a representative of the university to be present to safeguard the rights of students and the university’s interests.

VIDEO CAMERAS

Video cameras are placed in a number of buildings to offer students a more secure environment. The Department of Residence Life reserves the right to place cameras in public areas where observation is necessary to enhance community responsibility. These videos are reviewed and maintained by the Department of Residence Life. *Covering, tampering or removing of video cameras will not be tolerated.
Any student who is convicted or has felony charges pending is obligated to disclose this information to the Department of Residence Life upon completion of a housing application. A committee of student affairs professionals will meet to determine whether the student poses a potential threat to others. If it is determined that he/she poses a threat to others or to the community, the student will be denied housing.

The University has determined that convicted sex offenders, whether required to register or not, pose a significant, clear and present danger to residents living in University housing. Therefore, convicted sex offenders are not permitted to live in University housing.

**POLICY VIOLATIONS AND PRIVACY OF RESIDENTS**

**ALCOHOL POLICY**
Sale, consumption or evidence of consumption of alcoholic beverages is prohibited in the residence halls. Sale, consumption or evidence of consumption of alcoholic beverages on campus is a violation of university regulations and some state laws. Possession and consumption of alcoholic beverages by students under the age of 21 is illegal under state policy.

The following statement of policy is in effect: Although University Police and Residence Life personnel are responsible for enforcing the same alcoholic beverage laws and regulations, their enforcement roles differ. Of the university’s enforcement representatives, the University Police have the overall and primary responsibility for enforcement of all applicable alcoholic beverage laws and regulations (i.e., university, city, county, state) on all Southern Miss-owned or controlled property and buildings (including residence halls). Residence Life personnel have enforcement authority exclusively in the residence halls. University Police and Residence Life personnel will become mutually or singularly involved in the enforcement of alcoholic beverage laws and/or regulations pertaining to a particular alcohol-related offense in a residence hall when that offense causes concern for the health, safety and/or welfare of a person, or becomes a public nuisance in a hall. Any alcohol-related offense occurring in or that can be heard in a public area of a residence hall that violates the public order constitutes a public nuisance. A resident’s room becomes a public nuisance when excessive noise or disorderly conduct from the room disturbs the order and tranquility of the residence hall community. University Police and Residence Life personnel are authorized to investigate and decide whether a situation in a residence hall constitutes a public nuisance suitable for the initiation of disciplinary action.

**BEHAVIOR AND CONDUCT TOWARD ROOMMATES**
Behavior that attempts to force a roommate out of the assigned room, discriminates against a current roommate or newly assigned occupant, or compromises the health or safety of a roommate may result in reassigning one or both of the occupants. The resident responsible for the behavior may have to move or pay additional charges for any unoccupied space and may be judicially mandated to have a private room.

**BUSINESS ENTERPRISES**
Students are not permitted to start or run business enterprises from the residence halls. At no time should babysitting, hairstyling or any other business take place in the residence halls.

**CAMPING AND GRILLING POLICY**
Due to safety concerns for students in our residential facilities, camping and grilling is not permitted on campus. We encourage our students to reside inside the facilities where safety provisions such as access, hall staff and visitor check-in are provided.
DANCES/OTHER EVENTS
Any event that involves excessive noise cannot be held in the residence halls unless by special permission. With prior approval, such events as dances can be held on Friday and Saturday nights until midnight. All activities must be approved in advance by the hall supervisor and the assistant director. An Activities Form requiring an assistant director’s signature must be completed and submitted to the Student Activities office (located in The Hub) a minimum of seven days in advance of the event.

DRUG POLICY
In accordance with the state law and Southern Miss policy, the illegal possession, use, sale or attempt to obtain any drug (including marijuana and prescription drugs) or drug-related paraphernalia is prohibited in university residence halls. Failure to comply with this guideline creates grounds for removal from the residence hall community and/or expulsion from the university. Campus violations resulting in interim suspension will result in an immediate loss of housing privileges. Items should be removed from the room within 10 calendar days of the suspension.

ELEVATORS
Tampering with, vandalizing, “surfing,” propping or misusing the elevator is strictly prohibited. Students found to be in violation will be removed from campus housing through administrative mandate.

EMERGENCY SIRENS
Siren Testing Schedule - The Southern Miss siren will be tested on the last Friday in August at noon and the last Friday in January at noon. The test will begin with Westminster chimes followed by a voice stating: “The following tone is a test of the Southern Miss emergency warning system. Please do not dial 911. This is only a test.” This message will then be followed by a two-minute tone. The tone will then be followed by the final voice message: “This has been a test of the Southern Miss emergency warning system. Please do not dial 911. This was only a test.”

The siren will also be tested once a month using the Westminster chimes. The monthly tests will occur on the last Friday of each month at noon. In case of bad weather, the test will take place the following Friday at noon. If there is bad weather on the second Friday, then that month’s test will be cancelled.

The Emergency Warning System - The siren control panel is located at the Southern Miss Police dispatch office. If a tornado warning is issued for our area, the police dispatcher will call the Emergency Management District to confirm that a tornado is threatening our campus. The dispatcher will activate the siren tornado warning. The tornado siren warning sequence will be the following:

Tornados - Westminster chimes will be followed by the voice message, “A tornado warning has been issued for the Hattiesburg area. Please seek shelter.” This would be followed by a three-minute tone, which will be repeated if necessary. Residents should remain in their shelter areas for 45 minutes after the last three-minute tone.

Hazardous Weather - In times of hazardous weather (lightning, hail, hurricanes or weather likely to produce a tornado), the dispatcher will activate the hazardous weather warning - the Westminster chimes followed by the voice message, “A hazardous weather warning has been issued for the Hattiesburg area. Please seek shelter.” This will be followed by a three-minute tone.
What to Do During an Actual Warning (Not a Test) - When you hear the emergency warning siren, seek shelter inside the nearest building on the lowest level possible. Move away from windows and doors. When the bad weather hits, move to a center hallway away from windows and doors and sit down with your back to the wall. If you have a backpack, use it to cover your head. Do not touch metal pipes or metal structures during a storm. Tune in to a local TV or radio station for weather updates.

During and After the Storm – What You Should Know and Expect if You Stay
1. Residents with emergency housing needs will remain in their individual halls until the storm has passed.
2. The Village residents with emergency housing needs will be relocated to vacant women’s residence halls.
3. Fraternity Row residents with emergency housing needs will be relocated to vacant men’s residence halls.
4. Students remaining in the halls during the storm MUST sign the building’s occupancy report form so that staff will have an accurate number of those staying.
5. Expect a four- to six-hour wait in the hallways (safe zone).
6. Expect a possible lack of air conditioning, water and limited electricity.
7. Sack lunches will be provided to all residential students by Eagle Dining.
8. Residents are encouraged to ration their food and water accordingly, making it last through the next day.
9. Avoid standing or sitting near windows and doors. In the event that the roof of the structure is damaged or blows off, go to a secure room, lie on the floor, and cover yourself with a mattress.
10. If the center or the “eye” of the storm passes directly overhead, there may be a lull in the wind lasting from a few minutes to half an hour or more. DO NOT venture out during this time. Remember that the wind may return suddenly from an opposite direction with even greater force.
11. It is not uncommon for buildings to take in water or for windows to break during a storm. All we can do is clean up to the best of our ability and wait for the storm to be over. Never put yourself in danger trying to clean up a mess.
12. Remain inside – DO NOT leave the building during the storm unless it is an emergency.
13. DO NOT play in any standing water around the buildings due to potential downed power lines.
14. Power Outages – Residents may NOT use candles or other flammable types of lighting under any circumstances.

15. Flashlights are recommended in the event of a power failure. *Emergency generators will supply emergency lighting in the hallways and stairwells, fire alarm systems and access card system.
16. Listen for tornado sirens. We could expect to receive several tornadoes from a hurricane. If you hear the tornado siren, please leave your room immediately and go to the safe zone in your building (first floor).
17. Once the storm has passed, all residents may be relocated to the Thad Cochran Center.
18. Campus Curfew (strictly enforced) – In the event a curfew is placed in effect by the police department, residents will not be permitted to leave the building and will be ARRESTED for doing so. This is for the safety of the student, hall staff and emergency response teams.

For more information on what to do before, during and after a storm, please review and print the SEVERE WEATHER GUIDE located under the Housing Resources section of our website: www.usm.edu/sites/default/files/groups/department-residence-life/pdf/67492_severe_weather_guide_online_version_9-12.pdf.

FAILURE TO COMPLY
Students are expected to comply with directives from the professional housing administrators and the residence hall student staff. Failure of students to cooperate with any member of the Residence Life staff when acting as representatives of the university will result in disciplinary action ranging from censure to removal from housing. All residents are expected to comply with administrative requests and sanctions. Should a resident fail to meet the stated expectation, the resident should expect to be held accountable for non-compliance with departmental standards. This can include additional sanctions and loss of privileges as deemed appropriate. In addition, failure to evacuate a hall when an alarm sounds and failure to comply with staff directives constitutes grounds for disciplinary action, which may include removal from the residence halls.

FIRE ALARM PROCEDURES
1. Leave your room immediately, as required by state law.
2. Leave the wall or overhead light on.
3. Close the room door and lock it (only if time permits).
4. Walk quietly and quickly outside via the stairwells. Do not use the elevators.
5. Remain outside until the signal is given to return to your room.
For your own protection, obey all fire regulations. Failure to evacuate a hall when an alarm sounds and failure to comply with staff directives constitutes grounds for disciplinary action, which may include removal from the residence halls. Residence Life staff and University Police reserve the right to enter student rooms to locate the source of the problem and to ensure that everyone has evacuated the building.

**FIRE AND SAFETY EQUIPMENT**
The city fire code prohibits anyone from tampering with fire and safety equipment in the residence halls or in any campus building. Tampering includes pulling fire alarms, discharging fire extinguishers, removing exit signs, hanging items from sprinkler heads, and interfering with smoke detectors. Never hang or affix any item to sprinkler heads or smoke detectors. Interference with the operation of a smoke detector is prohibited. Students found responsible will be liable for damages. All violators are subject to disciplinary action and possible criminal prosecution. The civil penalty for malicious use of fire and safety equipment is a $500 fine and/or 90 days in jail.

**Air Conditioners/Space Heaters** - Individual air conditioners and/or heaters are not permitted in the residence halls at any time. Due to fire hazards, items present of this type will be confiscated if they are found in the halls. Although all the halls are air conditioned, residents may wish to bring small fans for use in their rooms.

**Combustible Materials** - Due to the threat of fire, combustible decorative materials, such as dry vegetation, natural Christmas trees, excessive trash and similar materials are not permitted in the residence halls. The storing of flammable liquids or materials of any kind or classification is prohibited.

**Cooking and Appliances** - Due to the nature of residence hall living, the physical facilities of the halls, and the concerns for fire and safety standards, only microwave cooking is permitted in student rooms. A MicroFridge (microwave, refrigerator/freezer combination) or a compact refrigerator/freezer is provided in every room by the Department of Residence Life. Cooking appliances (such as toasters and hot plates) are not allowed in student rooms. George Foreman-type grills or similar products also are not permitted. Single-cup coffee makers with automatic shut-off functions, such as the Keurig, are permitted in rooms. *Microwaves should be used in accordance with general usage practices. At no time should metal of any type be placed in a microwave.*

**Electrical Requirements** - No extension cords of any kind (single or multi-plug) should be used. A power strip with a built-in circuit breaker should be used if more receptacles are needed. All appliances must be UL-approved.

**Halogen Lamps** - Due to high operating temperatures that could result in threat of a fire, halogen lamps are prohibited in the residence halls.

**Incense/Candles** - Incense, candles and heated potpourri pots are not permitted in the residence halls. Burning substances in any form creates a fire hazard. This includes the use of candle warmers.
FIREARMS AND OTHER WEAPONS
It is against university policy for residents to possess firearms, ammunition, fireworks, knives, explosive devices, Tasers, hunting equipment, crossbows, bows and arrows or any such item that can be used as a weapon in a residence hall. Violators will be subject to immediate removal from campus housing, in addition to disciplinary action and possible criminal prosecution. High-powered water guns, BB guns, paintball guns and Airsoft pellet guns are not to be used in or near the residence halls.

POLICY DEFINITIONS
Firearm – Any device that shoots a bullet, pellet, flare, tranquilizer, spear dart, paintball or other projectile, whether loaded or unloaded, including those powered by CO2, is considered a firearm. This includes, but is not limited to, guns, air guns, dart guns, pistols, revolvers, rifles, cannons, etc., and any ammunition for any such device.

Weapon – A weapon is any device that is designed or traditionally used to inflict harm. This includes, but is not limited to, firearms, slingshots, switchblades, daggers, blackjack, brass knuckles, bows and arrows, hand grenades, hunting knives, hatchet, nun chucks and throwing stars, as well as any object that could be reasonably construed as a weapon.

Explosives – Explosives are chemical compounds or mechanical mixtures that contain oxidizing and combustible units or other ingredients in such proportion, quantities or packing that an ignition by fire, friction, concussion, percussion or detonator, or any part of the compound or mixture or gaseous pressures are capable of producing destructive efforts on contiguous objects or of destroying life or limb. This includes, but is not limited to, firecrackers, black powder and dynamite, as well as detonating devices such as detonators, blasting caps, timers, incendiary wire and the like.

GAS LEAK PROCEDURES
A gas leak is any situation where someone has detected or reported a smell of gas or gas is believed to be leaking from a pipe or another source. Gas leaks are considered serious and potentially dangerous and need to be reported immediately.

Exit the building immediately. Prop door open on your way out in order to ventilate the room/building of gas. DO NOT use matches, lighters, electrical switches, appliances or your telephone inside the residence hall. Call UPD at 601.266.4986 or 911 after exiting the building.

DO NOT re-enter the building until it has been declared safe to do so by emergency personnel. If gas service must be turned off, know that it may not be restored until the following day.

HALL SPORTS POLICY
Sports, rough-housing and water fights are not allowed in the residence halls because of possible damage and/or personal injury to members of the community and facility. Riding bicycles, roller blading, skateboarding, roller skating, throwing Frisbees, darts or balls is not permitted in any residence hall.

HARASSMENT AND THREATENING OR AGGRESSIVE BEHAVIOR TOWARD STAFF
Harassment of the university staff (student or professional), whether physical or verbal, will not be tolerated. Individuals found to be in violation of this policy will be subject to disciplinary action and may be removed from the residence halls. In addition, a recommendation of expulsion may be made to the dean of students.

HEALTH AND SAFETY POLICY
Personal safety and residence hall security are top priorities of The University of Southern Mississippi. Students, staff and the University Police (campus security officers patrol the residence hall areas on a 24-hour basis) have worked together to develop procedures that have greatly increased security in the residence halls. Students must share in the responsibility to ensure security and maintain control of each hall.

The Residence Life department expects that students will respect the security of the buildings, be knowledgeable of safety policies and procedures and refrain from creating fire or other safety hazards. Students have the responsibility to maintain residence hall rooms in a manner that will not create an adverse living environment for themselves, roommates and other students within the building.

The residence hall staff will, as it deems necessary, set a specific time to conduct a periodic room inspection for any health or safety hazards. Health and safety inspections are conducted at least once a semester. Should you fail your room inspection, you will be given a time frame in which to clean your room. Another inspection will then take place, and a fine and possible disciplinary action will be issued if you fail the inspection.
The following safety regulations and guidelines should be followed:

1. Door propping (inside with deadbolt and out) is strictly forbidden. Those found propping doors will be assessed a $50 charge and will be subject to further disciplinary action.
2. Only those authorized and with proper identification are allowed to enter the residence halls.
3. Visitors must check in with residence hall staff or the hall security officer, sign the visitor log and present a picture ID.
4. Violations of hall security procedures will result in disciplinary sanctions and/or criminal prosecution.

LOITERING OUTSIDE THE HALLS
Loitering on the steps in front of a building or in areas that make it difficult for residents and visitors to gain access to the building will not be permitted. If noise from outside gatherings can be heard from inside and causes a disturbance in the hall, UPD will be contacted to disperse the loiterers, and disciplinary action may take place.

MISSING PERSON POLICY
If a member of the university community has reason to believe that a student who resides in campus housing is missing, he or she should immediately notify the University Police Department (UPD) at 601.266.4986. UPD will generate a missing person report and initiate an investigation.

After investigating the missing person report, UPD will notify the student’s emergency contact or confidentially identified individual, immediately after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, UPD will notify the student’s parents or legal guardian. UPD will also immediately inform local and surrounding law enforcement agencies.

In addition to registering an emergency contact, students residing in campus housing have the option to identify, confidentially, an individual to be contacted by Southern Miss in the event the student is determined to be missing. Students who wish to identify a confidential contact may do so by completing the Missing Person Contact Information on the Resident Student Data Card, which is available at the residence hall front desk. This confidential contact information will be accessible only to authorized campus officials and law enforcement officers; it will not be disclosed outside of a missing person investigation.

NOISE POLICY
Residents and residence hall guests should conduct themselves in such a manner as to allow others the quiet enjoyment of the residence hall. You are to avoid causing excessive noise and/or disruptive behavior. You may be required to use earphones or to remove stereos from the room if the use of such equipment is causing a disturbance.

If you encounter a noise problem, please bring it to the attention of the offender. If the problem persists, contact your RA or the RA “on duty.” Periodically, RHA and staff functions may receive exception from the quiet hour policy with prior approval from the assistant director. If this occurs, the residents of the respective halls will be notified of the date and time.

OBSTRUCTION OF CORRIDORS, LOBBIES, LOUNGES AND WALKWAYS
In support of state and university fire safety evacuation codes and out of respect for students with disabilities, it is essential that residents comply with the guideline that all corridors, lobbies, lounges and walkways in and around the halls must be free from obstructions at all times. All personal belongings such as bicycles, skateboards, athletic equipment and ironing boards must never be left to obstruct the flow of traffic. All obstructions will be removed by Residence Life staff and will be discarded. Sleeping is not permitted in the corridors, lounges, lounges and walkways.

OVERNIGHT GUESTS
Residents are permitted to have guests of the same sex stay overnight in their rooms on occasion if that guest is registered with the hall supervisor at least 24 hours prior to the guest’s overnight stay. The guest MUST be a Southern Miss student. Guests who are not enrolled at Southern Miss will not be permitted. *Approval is contingent upon
agreement by the roommate and may or may not be given. Guests are to stay no longer than two nights, and only one guest is permitted per room per night. Students with non-registered guests will be subject to disciplinary action and assessed a per night charge of $20. A resident should receive his/her roommate’s permission prior to permitting a guest to use the roommate’s bed. Residents who host guests are responsible for the actions of their guests. Overnight guests are not permitted the week of finals. Sleeping is not permitted in the lobbies or lounges.

OVERNIGHT GUESTS – MINORS
A resident’s same sex sibling (at least 14 years of age) may be permitted to stay overnight in the resident’s room on Friday and Saturday nights ONLY. *Special permission from the assistant director must be obtained for week nights. Proper documentation, including the Permission Form for Minors in the Residence Halls, must be completed and faxed/mailed to the Department of Residence Life at least five business days before the stay. The resident is responsible for the sibling guest and must accompany them at all times. The sibling must follow all department and university policies during their stay. *The resident must obtain approval from the roommate and all suitemates before the stay begins.

PET POLICY
Due to the large number of people living in close proximity to each other and for health reasons, pets are strictly forbidden. Dogs, cats, hamsters, mice, snakes, birds or other such animals are not permitted in the residence halls and sorority houses. This policy includes lab or research animals, but excludes properly registered service animals. Small aquarium fish are the only pets allowed (aquarium size is limited to a maximum of 15 gallons). Visitors must be informed to leave their animals and pets elsewhere. Residents or visitors who violate this policy will be fined $100, must bear the cost to steam clean the residence hall or sorority room and will be subject to judicial action and possible removal from the residence hall or sorority house.

POTENTIAL HARM TO OTHERS
The Department of Residence Life maintains the right to take any action necessary to protect students from potential harm by others. This may include, but is not limited to, removal from residence hall, arrest and/or required counseling. Individuals who are deemed to be in need of medical or psychiatric help will be referred to the appropriate treatment facilities and will be financially responsible for transportation and treatment received. Acts of violence, such as fighting, may result in the immediate removal of all involved residents from the residence hall. Students involved in violent acts in the residence halls may be referred to the Office of the Dean of Students for consideration for suspension from the university.

ACTS OF AGGRESSION
Acts of aggression such as, but not limited to, assault, fighting, sending, making or delivering a threatening message are prohibited. A student found responsible for any of these actions may be immediately removed from the residence hall in order to safeguard others. The Department of Residence Life reserves the right to forward these cases to the Office of the Dean of Students for further action.

DISRUPTIONS TO THE LIVING ENVIRONMENT
The Department of Residence Life will take swift action to ensure the residence halls are conducive to a quality living-learning environment for all. When a student is identified as exhibiting behavior that disrupts the community, the student may be temporarily removed from the residence hall. These behaviors include, but are not limited to, endangerment, obscene or indecent behavior, physical violence, stalking or threatening behavior, or verbal or written abuse directed at another community member. Incidents of this nature may be forwarded to the Office of the Dean of Students for further action.

RESIDENCE LIFE CUSTODIAL CARE POLICY
1. In the event that a student requires transportation to a hospital, medical center, treatment center or correctional facility because the student is a potential harm to self or others, Residence Life staff may contact University Police or AAA Ambulance for the purpose of transporting the student. *Residence Life is not financially responsible for transportation and treatment received.
2. In the event that a student is transported, whether voluntarily or involuntarily, to a hospital, medical center, treatment center or correctional center because the student is a potential harm to others, the following will be required for the student to be re-admitted to his/her residence hall:
   a. Provide a release form signed by the attending authority indicating the student is released from care and no longer a threat to others.
   b. Provide a copy of the release given to attending authority indicating they have permission to release information regarding the student’s status to Residence Life or Southern Miss Counseling Center professional staff. Prior to the potential re-admittance to the hall of any student, Residence Life
must receive verbal approval from a Southern Miss counselor on call.

c. Residence Life reserves the right to deny residence hall re-admission to a student based on issues such as timing of the request, possible negative impact of re-admittance upon the living and learning environment, information provided through the attending authority’s release, and the continued potential for harm to others.

3. Occasionally, a student transported to a hospital, medical center, treatment center or correctional facility may not be allowed to return to the residence hall until a hearing can be conducted. The student will be responsible for his/her own arrangements for off-campus accommodations and transportation, financial and otherwise. Staff cannot assume responsibility for a student who declines medical treatment.

4. If a student is admitted to a hospital, medical center, treatment center or correctional facility as a result of potential harm to others, an attempt will be made to contact a parent or legal guardian to make him/her aware of the situation, the re-admittance policy, and to release the student to that person’s care.

SIGN POLICY
All signage intended to be displayed in a residence hall by registered student organizations must be approved by the Residence Hall Association prior to posting. The signage policy and request form are available at www.usm.edu/residence-life/residence-hall-association or in the RHA Center, which is located in the basement of Mississippi Hall. Signage from departments other than Residence Life or from off-campus organizations should be submitted for approval to the Department of Residence Life central office located in Hickman Hall.

No signage, posters, banners or flyers may be placed, taped, glued or hung on the exterior of any residence hall building. No signage, posters, banners or flyers may be placed in/on trees or bushes within view of residence hall buildings. No signage may be placed on fences or gates adjacent to residence hall or sorority house facilities. Inside the residence halls, the use of nails, staples, glue or double-sided tape is not allowed. Never hang or affix any item to the sprinkler heads or smoke detectors.

SMOKING POLICY
Smoking on campus is prohibited, except in designated smoking areas exterior to and away from the residence halls and sorority houses. Residents will face removal from the hall following a third violation of the smoking policy inside a residence hall. *Student may be cited by campus law enforcement for violating the smoking policy.

For more information about designated smoking areas on campus, please visit www.usm.edu/sites/default/files/groups/student-health-services/pdf/smoking_zone_map_final.pdf.

For more information about The University of Southern Mississippi’s smoking policy, visit www.usm.edu/student-health-services/smoking-policy.

SOLICITATION POLICY
Solicitation is not permitted in the residence halls. Exceptions to the policy must be cleared with the director of Residence Life and the director of the Union and Programs department. Solicitation includes any activities performed for the purpose of selling and promoting a product or service, such as door-to-door knocking, campaigning for SGA or other political offices, or the distribution of pamphlets and flyers.

If you see anyone soliciting in the halls, tell your RA or hall supervisor immediately. Individuals wishing to have fundraisers or to sell items on campus must obtain prior permission from the Union and Programs department. This applies to all student groups as well.

STUDY/QUIET HOURS
All persons who are present in the residence halls between the hours of 11 p.m. and 8 a.m. will be expected to observe quiet hours. Reasonable quiet is expected at all times and is strictly enforced. It is your right, as well as your responsibility, to let offenders know if their activities are in violation of quiet hours. Stereos, radios, TVs and all conversations must be kept at levels that will not interfere with the study or sleep of other students. The playing of musical instruments is prohibited in the residence halls. The use of stereos, radios and other amplifiable equipment is a privilege. This privilege may be revoked when this equipment is used in such a way as to interfere with maintenance of quiet and courtesy hours. Individuals who repeatedly violate the quiet hour policy may be asked to leave the hall.

QUIET HOURS
11 p.m. to 8 a.m., seven days per week

COURTESY HOURS
24 hours a day, seven days per week
FINAL EXAM WEEK QUIET HOURS
24 hours a day, seven days per week
Students will be immediately removed from campus housing after second warning.

THEFT AND POSSESSION OF STOLEN PROPERTY
Students found in possession of property determined to be stolen will be subject to arrest and possible removal from the residence halls.

VISITATION POLICY
A visitor is defined as any person who does not reside in the building. The maximum time any residence hall may have visitation is within the hours of 11 a.m. to midnight, Sunday - Thursday, and 11 a.m. to 1 a.m. on Friday and Saturday. Freshman halls will not be allowed visitation until the first day of classes. Residents are responsible for the actions of their guests and must be considerate of other residents. Residents may only check in two guests at a time. All guests, regardless of gender, must be registered at the front desk and be escorted by the resident at all times. Guests must be 16 years of age or older, unless escorted by a parent or guardian. Residents must escort their guests the entire time they are checked in. *See Overnight Guests policy.

VANDALISM
Any resident responsible for vandalism or malicious damage to student rooms and/or public residence hall areas will be assessed a fee of $250 plus the labor and material costs to repair the damage. In addition, formal discipline procedures will be enforced for that resident.

WINDOWS/Balconies/ROOF/RESTRICTED AREA POLICIES
Throwing any objects, including trash, from the windows or balconies is hazardous and demonstrates a lack of respect for the university community. Please put all refuse in appropriate areas and receptacles. Disciplinary action will be taken against violators of this policy.

Windows in the residence hall rooms should remain closed at all times, and screens should remain in place for the safety of our residents and to ensure proper functioning of the ventilation systems in the building.

Students are not permitted to enter or exit the building through their windows and should never be on a balcony, roof or overhang. Access to roofs is restricted to authorized personnel only. Sunbathing and other activities on the roof or porch overhangs are strictly prohibited. Violators will be subject to disciplinary action.

In all buildings, there are areas such as basements, attics, mechanical rooms, custodial areas, breaker rooms, etc., that (for safety reasons) are not accessible to students. Accessing these areas will result in disciplinary action.
SIGN-IN/SIGN-OUT PROCEDURE

1. Host must meet his/her guest at the door and escort guest to the desk.
2. At the front desk, the host will record the guest’s name, time and room where the visitor will be.
3. Guest must leave a valid photo ID (government-issued photo ID or Southern Miss ID only) at the desk after being signed in on the register.
4. The guest must remain with the host at all times. At no time is a visitor permitted to remain in the room or hall without the host. The host is responsible for the actions and behavior of his/her guest.
5. When the guest leaves the hall, the host must sign the guest out on the register. At that point, the guest will receive his/her ID.

*A host must register his or her guest each time he or she has a visitor, regardless of gender, even if the same guest visits more than one time each day.

SAFETY AND SECURITY TIPS

These tips are recommended for your safety and for the protection of your property:

1. Lock your door when you leave your room.
2. Do not leave valuables in plain view.
3. Inventory your property and include serial numbers of all appliances.
4. Mark or engrave personal items with your name or ID number.
5. Report thefts or security problems to your RA immediately and call the University Police at 601.266.4986.
6. Residents assume all responsibility for their personal property. The university does not assume any legal obligation for any resident’s personal property that may be lost or damaged in its buildings or on its grounds. Students are encouraged to obtain personal property loss insurance.
7. Travel with a companion after dark.
8. Students are encouraged to use the student escort service after dark for on-campus destinations. This service is provided by the University Police every night.
9. Inform your roommate of your whereabouts and expected time of return.
ASSESSMENT OF DAMAGES
When damage occurs within a resident’s room or in areas adjacent to it (i.e., windows, doors, suite/study area), it is ultimately the responsibility of the occupant to pay for the cost to replace or repair the damaged property. The purpose of the room inventory form, which residents complete upon hall check-in, is to establish the condition of the room at occupancy so that residents can be assessed fairly if damages occur. It is the responsibility of the student to complete the inventory form accurately. If you do not receive an inventory form at the time of check-in, it is your responsibility to obtain one from your RA. Damage charges may be appealed, in writing, to your assistant director. An Appeals Committee will then review your appeal and render a final decision. Any appeals for charges that were incurred more than one year in the past will not be considered.

COMMON AREA DAMAGES
Damage to the common areas of a residence hall or common area of suites is the responsibility of the resident and/or resident’s guest who caused the damage to the areas. Common areas include lobbies, study rooms, lounges, student kitchen lounges, hallways, public/non-private bathrooms, elevators, etc. If the responsible party cannot be determined, the university will charge the residents residing in that area for an equal share of the total cost of repair.

ASSIGNMENTS
The university agrees to consider the information and requests provided by the student on the application form when assigning living accommodations, but specific hall and roommate requests are based on space availability. The university agrees not to alter or cancel the resident’s assignment except for cases of disciplinary action, catastrophe, closing of facility, maintenance issues, consolidation of vacancies, unavailability of space, or unresolved incompatibility of roommates.

*Procedures for assigning beds from a waiting list consist of a review of the following: grade point average, disciplinary record, number of semesters in campus housing and history of removal from housing.

*Room preference is based on date of application, receipt of payment and approved registration status by the registrar. All of these must be done for the application to be complete. A room will not be assigned until this occurs.

During the fall semester, students are automatically assigned to their same room for the spring semester. Students may request a room change online during the designated period. Room changes are not guaranteed and will be made according to space availability and date of request.
BILLING FOR PRIVATE ROOMS
A limited number of rooms are designated for private occupancy. These rooms are assigned based on date of application and when space is available. Students granted private rooms will be assessed an additional charge. The additional private room charge becomes part of the total room rent and is subject to the university’s refund policy.

BREACH OF HOUSING CONTRACT
The resident agrees that breach of the Department of Residence Life housing contract lease agreement exists when it is determined that violation of provisions of the contract and violation of university rules and regulations has occurred. The resident agrees that, subsequent to due process, the university reserves the right to reassign or to remove from the residence halls residents who have exhibited, by their behavior, disregard for the residential community and/or the specific living area; the terms and conditions of the housing contract; or university rules and regulations.

The resident understands that breach of the housing contract lease agreement may also result in assessment of liquidation damages, cancellation of current occupancy and denial of subsequent university housing. Removal from the halls for policy violations is a breach of contract by the resident.

BUNK BEDS/LOFTS/CINDER BLOCKS/RAILS
The Department of Residence Life provides bed assemblies that are designed for bunking and meet safety requirements in all the residence halls. The use of cinder blocks is not permitted. Students are responsible for bunking and unbunking their beds. Bunking pins are available at the main desk of each residence hall (supplies are limited). Please keep in mind that each resident is responsible for returning his/her room and its contents to the original condition (as defined by the inventory form) before checking out. Due to liability and safety issues, lofting, using bed risers or stacking beds other than specified will not be allowed.

CANCELLATION OF HOUSING CONTRACT
The Department of Residence Life housing contract lease agreement is a nine-month contract. Students are required to live in a residence hall for both the fall and spring semesters if the student is enrolled at the university and has signed a housing contract. Exceptions to this policy include those students who are student teaching, participating in cooperative education classes, fulfilling the requirements of their academic program through an internship, graduating or withdrawing. (See your housing contract lease agreement for specific details.) Individuals who wish to file an appeal for the reasons stated above need to complete a form with the Residence Life Central Office in Hickman Hall and provide supporting documentation by the advertised deadline. Appeals without supporting documentation will not be considered. A student must be enrolled in order to reside on campus.

If you withdraw from the university during the semester, you must notify the Department of Residence Life by going online and submitting the Room Cancellation form. You must check out of the residence hall immediately upon withdrawal from the university. To avoid future charges, each student who is checking out of the residence hall should follow these procedures:
1. Meet with a member of your hall staff and complete a delete form and room condition report.
2. Turn in keys to your hall staff, if applicable.

If you change your mind about living on campus between the spring and fall semesters, you will be required to cancel in writing prior to the June 15 cancellation deadline. If you
are enrolled in the university, have paid the application fee and have signed a housing contract, you will be held to the terms and conditions of the contract if a written cancellation is not received by June 15.

Registered students who leave university housing during the designated buyout/appeal period are billed the designated buyout fee and given the option to appeal.

For more information on the buyout/appeal process, visit www.usm.edu/residence-life/buyoutappeal-housing-contract. *Note: The processing fee is nonrefundable and not considered part of the room rate.

*University policy regarding prior balances states that all students must have balances paid by the commencement date each semester, or the following semester’s classes will be canceled. In order to continue living in the residence halls, students must have prior balances paid and must be enrolled in classes by move-in date each semester.

CHECKOUT PROCESS
Residents are notified each semester of checkout dates and times, as well as the proper procedures to follow. Students can go through formal checkout with their RAs or through express checkout. A student who chooses to do the express checkout will put his/her key (Jones and Wilber Hall residents) in an envelope and turn it in at the front desk of his/her building. Express checkout students will be charged for any damages to their rooms. Failure to check out of your residence hall properly and failure to be out of the building by a designated time will result in a charge of $50. Failure to return your (Jones/Wilber Hall) room key will result in a $75 charge for the key.

Students checking out during the middle of the semester must check out with a Residence Life staff member and follow the formal checkout procedures below. All residents, with the exception of graduating seniors, are required to check out of the residence halls within 24 hours of their last exam. Graduating seniors must notify their hall supervisors in advance if they wish to stay longer and must move out prior to the official closing of the halls.

The following are the procedures for checking out of the residence halls:
1. Make an appointment with a resident assistant.
2. Move all belongings out of room prior to appointment.
3. Clean your room.
4. Sign the room inventory.
5. Make sure your door is locked when you leave.
6. Return your key to your resident assistant, if applicable.

CONSOLIDATION PROCEDURE
Residence Life reserves the right to consolidate vacancies in assigned rooms. If a vacancy occurs in an assigned room, the remaining resident or residents agree to accept other roommates as assigned, be moved into another room or hall, or pay additional charges based upon lowered occupancy of the room. Consolidation will take place in the fall, spring and summer semesters.

FURNITURE
Each resident is responsible for the loss or damage to furniture and other equipment in his or her room. Since furniture has been inventoried to your room, room furniture may not be transferred from one room to another or exchanged between rooms or suites.

Furniture in the lobbies, student kitchen lounges, study rooms, etc., is not to be moved from those areas under any circumstances. Disciplinary action and a moving charge of no less than $50 will be assessed for any furniture or university property removed from public areas or resident rooms.
Any personal window coverings (draperies) or floor coverings (area rugs) brought into the room must be fireproof and bear a manufacturer’s label signifying that the material will not support flames. Such personal items must not block or obstruct room access or create a nuisance to either roommate.

Due to the nuisance created by insects that may be transported into the residence hall on or inside furniture covered in fabric, residents are discouraged from bringing large furniture items such as sofas and recliners into the residence hall.

**LOCKOUT PROCEDURE**

Occasionally students will find themselves locked out of their rooms. The hall staff will provide lockout service to students free for the first three lockouts during an academic year. Any lockout after three times will result in a $10 lockout fee per incident.

**LOST ROOM KEY**

If a Jones/Wilber hall resident loses a room key, he/she should report the loss immediately to a hall supervisor. Lost keys will be replaced at a cost of $75. There is no credit for found keys. Each resident is responsible for his/her room key. Students are not to loan their room keys to others.

**OCCUPANCY**

Occupancy of an assigned room is limited to residents assigned to a particular room. The room should be used only as living space, and that space will not be loaned or occupied by nonresidents or residents of different rooms.

*All overnight guests should be registered according to the overnight guest policy. Excessive numbers of requests may be denied.

**PROCESSING FEE**

A nonrefundable processing fee of $75 (early bird rate - $150 after the June 15 cancellation deadline) must be paid online via credit card. Money orders are also accepted (fee may not be charged to a student’s account). This fee covers the fall and spring semesters. *Note: A $75 nonrefundable processing fee is also required for the summer semester.

**ROOM DECORATING**

The Department of Residence Life wants you to feel at home in your room and encourages you to decorate it. In order to help maintain the condition of the rooms, certain rules must be observed when decorating.

Students are reminded that the use of nails, staples or glue on walls is prohibited. 3M poster and/or picture hanging strips should be used to attach posters and pictures to the walls (when vacating the room, remove the poster/picture and leave the strip on the wall for maintenance to remove to avoid possible damage). Permanent adhesives (double-sided masking tape, contact paper, etc.) should not be used. Wall borders of any type are not permitted.

a. You may bring carpet from home.
b. All items brought into the facilities during the year must be removed from the building at checkout.
c. All upholstered furniture brought into the student’s room must meet commercial fire code.
d. All residence hall furniture must remain in the room at all times.

*Items must fit in each room properly without being stacked, being a nuisance to the roommate, or creating an environment that becomes a health, safety or fire concern.
STORAGE FEES
When a student leaves the university but does not remove personal belongings from his/her room, the items become property of the university and will be disposed of after 30 days. Students claiming items within the 30-day time period will be assessed a $100 storage and packing fee.

WITHDRAWAL FROM THE RESIDENCE HALLS
Students leaving the residence halls during the semester are responsible for notifying both the hall staff and the Residence Life office. Students should contact and make an appointment with their resident assistants prior to leaving the residence halls. Upon checkout, students will receive a signed copy of the room condition report from the hall staff to retain for their files. Students must sign the room condition report when moving from the halls. After moving all belongings from the residence halls, the student must contact a hall staff member to complete the room condition report. Once this is completed, the hall staff will delete the student from the building, collect the key (if applicable), and forward the deletion to the Residence Life office. This will complete the cancellation process.

Students who leave the residence halls during the semester and who do not complete both processes will not be granted refund of rent (if eligible to receive refund) and will be responsible for any damages that may occur in the room.

WITHDRAWAL FROM THE UNIVERSITY
If you are withdrawing or being withdrawn from the university, you must vacate your residence hall room within 24 hours unless special permission is granted by authorized Residence Life personnel. Students must officially withdraw from the residence hall, following the “Withdrawal from the Residence Halls” procedures mentioned above. A student will be held liable for room and board charges beyond his/her last date of attendance if he/she does not vacate university housing within 24 hours or does not cease using the institution’s dining facilities.
RESIDENCE LIFE
CONDUCT PROCESS

APPEALS
All educational sanctions will be determined toward the conclusion of the hearing. In addition, written notification will be sent through campus email by Residence Life staff. It is the responsibility of the student to appeal in written form. All hearing outcomes will be limited to one appeal only. The appeal will be heard by the associate director of Residence Life or a designee. All appeal decisions are final.

A student who has been found responsible for any alleged violation may appeal the decision of the hearing body or administrative officer to the associate director of Residence Life. An appeal requires a written document in the form of a letter or email that details the basis for the appeal (egregious sanction, mitigating circumstance, procedural error and/or additional information).

In addition to the written appeal, a meeting must also be scheduled with the appropriate appeal officer (the associate director or a designee) as directed in the follow-up sanction letter. This meeting must be scheduled within five business days from the date of the hearing.

DUE PROCESS
A student who is alleged to be in violation of Residence Life policies is entitled to certain procedural guarantees to ensure a fair hearing of evidence. These guarantees are as follows:

1. A hearing will be held to determine a student’s responsibility for an alleged policy violation. The student may choose to have an administrative officer conduct the hearing or appear before the Student Conduct Board, a group of resident students who are trained to serve as hearing officers.
2. Although a student may choose to remain silent during a hearing, he/she may refute or question any evidence presented and produce witnesses or written documentation submitted on his/her behalf.
3. To assist the student at a Student Conduct Board hearing, the student may choose an advisor to attend the hearing as well. The role of advisor is limited to assistance only. The advisor cannot question witnesses or speak on behalf of the student.
4. At a Student Conduct Board hearing, the student may challenge the objectivity of any board member, giving reasonable cause to believe the member may be biased or have a conflict of interest regarding that officer’s objectivity. The hearing board adviser will make the final ruling on any such challenge.
5. The outcome of the hearing will be determined solely on the evidence presented during the hearing. A finding of responsibility is decided on the existence of substantive evidence to support the charge.
6. After a hearing, a student may appeal the decision and/or sanctions within five business days from the date of the hearing, provided there are appropriate grounds. Students are limited to one appeal for each hearing process. Please review the appeals section for more information regarding the appeal process.

EDUCATIONAL SANCTIONS
The Student Conduct Board and Residence Life administrators have jurisdiction over any residence hall, policy violation and/or individuals who allegedly violate said policies. Residence Life staff reserves the right to consult with any other university official when necessary. Violations of residence hall policies and standards will be addressed through educational sanctions that will be determined by

1. Assessment of the seriousness of the violation;
2. Consideration of any mitigating circumstances within the case;
3. The student’s previous conduct record;
4. Consideration of previous incidents bearing similarities in violation infractions;
5. Directing an educational sanction with substantial impact so as to help the student understand the policy and prevent additional future violations; and
6. Imposing educational sanctions or taking actions aimed at preserving the community while considering the victim’s rights.

The educational sanctions listed below will range in severity without specificity to the violation, but to the individual student and case. This list is not inclusive of all possible sanctions:
- Official written warning
- Administrative relocation
- Residence hall probation
- Removal from residence hall system, which may be temporary, permanent and/or immediate, and may be done for a serious, first-offense violation
- Loss of residence hall visitation privileges
- Reimbursement for damages

Furthermore, because residence hall students have a contractual relationship with the Department of Residence Life, those who damage the halls may be financially responsible for repairs and replacement costs. This contractual agreement may not threaten or interfere with a student’s university academic standing, although a recommendation may be made to the Dean of Students office. *Please note that any student removed from the residence hall after a conduct process is still subject to the terms and conditions of the housing contract and may be financially responsible for payment to Residence Life and the university.

**ROUTES OF PROCESS**

When a student poses a clear emergency or danger to himself/herself or others, the director of Residence Life or designee may take immediate action to suspend the student from the residence halls. This can include temporary removal from the residence halls until a hearing takes place. In this event, the hearing will occur while the temporary removal is in place. When a student is accused of violating a Residence Life policy, he/she will have a conduct conference with a Residence Life staff member to discuss students’ rights, enter a plea, and choose a conduct hearing option in response to the alleged violations. These options include a Student Conduct Board hearing or an administrative hearing. If the offense is deemed a serious violation, an administrative option will be mandated and include referral to the Office of the Dean of Students. Failure to respond to conduct notification will result in a hearing held in the student’s absence.

**OPTION 1: STUDENT CONDUCT BOARD**

Following notification of charges, the student who chooses adjudication by the Student Conduct Board will receive notice of the hearing date. The board will be composed of approximately four to eight undergraduate students who have the authority and training necessary to adjudicate cases. The Student Conduct Board option will not be available during the first month and last two weeks of each semester.

**OPTION 2: ADMINISTRATIVE HEARING**

The Department of Residence Life staff will follow the same conduct process as the Student Conduct Board and will administer sanctions accordingly. Following notification of charges, the student who chooses adjudication by a Residence Life administrator will receive notice of a hearing date. The director of Residence Life or designee (associate director, assistant director, Residence Life coordinator or hall director) has the authority to adjudicate cases.

**STATEMENT OF RIGHTS**

1. At least five business days prior to a hearing, any student involved, whether the accused or the accuser, is entitled to written notification of the time and place of the disciplinary conference and hearing as well as their rights as outlined below.

2. Upon request, at least 48 hours (two business days) prior to the hearing, the accused student is entitled to a written statement of charges in sufficient detail, including how the alleged violation came to the notice of the Student Judicial Board or administrative officer.

3. The accused student must have the opportunity to appear in person at the designated hearing. The accused student and the accuser are entitled to present their cases to the Student Conduct Board/administrative officer and to call witnesses on their behalf. The accused student must request that the accuser be present at least 48 hours (two business days) prior to the hearing.

4. The accused student and accuser are entitled to ask questions of the Student Conduct Board or administrative officer, of each other, and of any witnesses called by the board or administrative officer. A list of all witnesses to be called must be submitted at least 48 hours prior to the hearing. The party calling the witnesses is responsible for notifying the witnesses and making sure the witnesses attend the hearing.

5. All hearings in connection with residence hall incidents will be closed, with the exception of the accused student, the accuser, appropriate witnesses, the accused student’s adviser, members of the Student Conduct Board, the board adviser, and/or any other necessary university official.

6. The accused student and the accuser are entitled to an explanation of the outcome of the hearing.

7. Each case will be heard at the originally assigned time unless the accused student notifies the Student Conduct Board adviser or administrative officer of a change in schedule or delay a minimum of 48 hours (two business days) prior to the scheduled hearing. Hearings will only be rescheduled for academic conflicts and personal emergencies that can be verified with documentation.
