The University is not recommending any particular vendor or investment and is not accountable for losses you may incur as a result of your investment choice.

The elective deferral contribution limit for employees who participate in a 403(b) and a 457 plan is $18,500 effective January 1, 2018. An employee can make maximum contributions to each plan (403(b) and 457) if they choose. An employee can also choose to contribute to both a post-tax Roth 403(b) account and a pre-tax 403(b) account. However, the combined amounts withheld cannot exceed the IRS calendar year contribution limit.
