Hiring Process for Faculty with benefits:

1. Offer is made to potential faculty via offer letter.
2. Request for background check (BGC) is completed, along with the Personnel Data Sheet (PDS) and sent to HR. HR recommends that this process begin at least one month prior to the semester start. This allows time for the BGC and paperwork to be completed, as well as, entry to ensure access to SOAR, email, and Canvas for the instructors. Background Check Form
3. HR then submits the request for a BGC to RedTail and an email is then sent to potential faculty for completion. Communication to your potential faculty is vital to ensure they know to check their email for this process. Background check information sheet from RedTail
4. The potential faculty must complete the BGC online in a timely manner in order to receive clearance quickly and be authorized to begin working. Most clearances can be processed within 5 business days, but could potentially take longer.
5. If the potential faculty is new to the University, they will need to come by our office to complete the Tax Packet before they can begin working. This is good to do while waiting on the BGC to be cleared. The faculty cannot start work until ALL paperwork has been submitted to HR.
   a. The faculty will need to bring two forms of original ID (Examples: Driver’s license, Social Security Card, Birth Certificate, Passport). Keep in mind that must be the original forms of ID (We cannot accept copies of these IDs) and that both documents have the exact same name on them.
   b. The faculty will also need to provide either a voided check or a document from their bank that has their routing and account numbers on it.
   c. Please notify HR of any potential faculty that are not local as they will need to complete certain forms with a notary. Example: An instructor teaching online for you that will not be coming to campus or lives out of state.
6. Once the BGC is cleared through RedTail and HR is notified, HR will update the employing department of the clearance.
   a. In the clearance email, HR will also notify the department of any remaining paperwork that must be completed by the faculty and if the start date needs to be updated.
7. Once all paperwork has been submitted, HR will complete the data entry and notify the employing department and the faculty member of upcoming Faculty Orientation.
