$7,500 to help you buy a home of your own

We are partnering with local nonprofits to help you make homeownership a reality with the NeighborhoodLIFT® down payment assistance grant. You could receive a $7,500 grant to help you buy a home anywhere in Mississippi. To be eligible, your total income cannot be more than 80% of the area median income (AMI) and 100% AMI for military.

If you qualify as military, veteran, surviving spouse; law enforcement, firefighter, emergency medical technician or teacher, you could receive an additional $2,500 for a total grant amount of $10,000. See website for additional benefits and eligibility.

If more than one person will be on the mortgage, the sum of your incomes cannot be more than the income limits for your household size.
