DON'T

Don’t smoke
It’ll make you broke.
Don’t dip,
It’ll ruin your lip.
Don’t chew,
It’s not good for you.
Tobacco is bad,
It won’t make you glad.
You better resist,
Or you might not get kissed.

Tobacco products won’t make you a dancer,
But they certainly can give you cancer!

Institute for Disability Studies

The Tobacco Control Strategies program is funded by the Mississippi State Department of Health Office of Tobacco Control.
