[TITLE]

Policy Statement

[The Policy Statement is generally two to four short sentences that provide a brief, general description of the University’s stance on particular subjects and/or its response to specific situations, including the policy’s intent, who must follow the policy, when the policy applies, and any mandated actions or constraints.]

Reason for Policy/Purpose

[The information in this section answers questions as to why the policy exists. It should state the legitimate interests of all parties, describe the problem or conflict the policy addresses, and cite any legal or regulatory reasons for the policy.]

Who Needs to Know This Policy

[A list of constituencies that need to know about the proposed policy and/or who may be likely impacted by the proposed policy.]

Website Address for this Policy

[The specific website address for the policy will be provided by Institutional Research. Please contact Institutional Research to obtain this web address before printing out for signatures.]

Definitions
Policy/Procedures

The policy itself. The policy should follow a decimal numbering convention which uses a combination of numbers and decimal points to differentiate among levels of headings. Policies and procedures benefit from the decimal numbering system for ease of cross-referencing sections. The following example illustrates the relationship between the different level of headings and the decimal numbers used:

1.0 First-Level Heading
   1.1 Second-level heading
   1.2 Second-level heading
      1.2.1 Third-level heading
      1.2.2 Third-level heading
         1.2.2.1 Fourth-level heading
         1.2.2.2 Fourth-level heading
   1.3 Second-level heading

2.0 First-Level Heading
