With the end of the spring semester approaching, The University of Southern Mississippi will transition to its summer schedule, along with events and camps that will include a large contingent of minors. If your department sponsors or manages one of these events or camps, review the “Minors on Campus” policy for procedures and protocol, which can be found online under General Counsel, Policy Number: PRES-GC-002.

Background checks are conducted annually as it relates to the “Minors on Campus” policy for all event and camp program staff/authorized adult supervisors - whether paid or unpaid - or regardless of affiliation with the university.

For more information or questions, contact University Police at 601.266.4986 or Human Resources at 601.266.4050.
