We are the Raider Way

We walk the halls with integrity and pride, knowing that the thirst for knowledge is alive. Sticking together through thick and thin, being respectful, responsible, and safe, we always win. For the number one spot we fight, we are proud to be red and white.

Starting November 11 (MONDAY) if you get 1 tardy or less in all your classes for 9 days then you will attend the party.

## Activities

- Show students the video. Begin video at the 1:30 time
  [http://www.cleanvideosearch.com/media/action/yt/watch?videoId=5C-Wyy_lPNk](http://www.cleanvideosearch.com/media/action/yt/watch?videoId=5C-Wyy_lPNk)

- **Video discussion:**
  1. What are reasons why students are most often late to class?
  2. What can be done by the students to help get to class on time?
  3. What can be done by the school to make it easier to get to class on time?

- Engage students in discussion about tardy consequences.

- Review School Consequences: 1st – 3rd tardy MIR and corrective strategy; 4th tardy ODR; After 4 tardies ISS or Saturday School; 8th tardy driving privileges revoked; Subsequent tardies not being exempt from exams

- What are some consequences of being tardy to class, work, practice, picking up your friends or anything else in life?

- Have students think about ideas of missing work, missing turning in assignments, missing instructional time or bell work; missing an event or activity with your friends; getting fired from job; friends get mad; late to practice—run more or not play?

- Create your own classroom instruction/activity/game that addresses tardies. If you have great ideas, share with other teachers via email.
