Statement of Support

Clearly summarize your support for the proposed research or creative activity. Please describe the specific ways in which you will mentor the student and assist them in completing the project and preparing their presentation

Faculty Agreement

I understand that:

- If my student is accepted to attend NCUR, I will provide regular mentoring for both the project and its presentation.
- My student will submit their NCUR paper/poster for presentation at the next Southern Miss Undergraduate Symposium on Research and Creative Activity held after completion of the proposed project.
