

Elliott Homes is in search of a highly motivated, results driven person that can assist us with our plan drafting, modifications, and design needs. This will be an in house, full time position we need to fill immediately in our Gulfport office. If there are any December graduates that are ready to step into this role, please send me your information (adam@myelliotthome.com), as I am ready to start interviews right away. Salary and benefits to be discussed with the individuals @ time of interview.
