Experience is not what happens to a person,
It is what that person does with what happens.

Internship Qualifications

The following requirements must be met for all students applying for an internship:

1. Have completed half (18 hours) of the 36-hour major requirements, including the necessary skills courses in your major.
2. Have a grade point average of 3.0 in major courses.
3. Have an overall grade point average of 2.5.
4. Submit an internship application (attached) to the internship coordinator and the director no later than the end of the second week of the semester.

Internship Application Procedure

To arrange an internship, the following steps must be completed in order:

1. Review the internship qualification requirements to determine if you are eligible.
2. If eligibility requirements are met, discuss your internship interests with your faculty adviser to determine the organization at which you will intern and the semester during which you will intern.
4. Contact the internship supervisor/coordinator at the organization at which you hope to intern and make an appointment to discuss your proposed internship. (Note: Some organizations may require interviews with potential interns and select one or more interns based on the organization’s needs and the interns’ qualifications.)
5. Meet with the internship supervisor/coordinator and discuss the internship policies/procedures of the organization. (Note: Internships require of 160 total hours during the semester. This averages to 12 hours per semester for fall and spring and 20 hours per week for the summer.)
6. If the organization accepts you as an intern, have the internship supervisor/coordinator complete Part 2 of the Internship Application. These individuals also must be noted on the school’s internship provider list compiled from a form also on the school’s website. If the internship provider has not yet completed the form to be added to the provider list, this form should be submitted with the internship application.
7. Make a copy of all this information for yourself (and for your internship provider if requested).
8. Submit the originals for the internship application to the School’s internship coordinator, Maggie Williams.
9. Take the applications to the director for a signature. Copies will be made for the internship coordinator and you will be enrolled in the class by someone in the school office.
10. Meet your assigned internship supervisor/coordinator and set your work schedule.
**Internship Advice**

Most students find the internship experience rewarding and fulfilling. Remember ADAP to help your internship experience be successful.

- **Attitude**—be eager to learn and find projects on your own. Showing initiative and being a pleasant coworker will make you a valuable member of the team.
- **Dependability**—showing up to work on time each time you are expected is important. Interns who fail to show up or who are habitually late may be fired from their internship positions.
- **Appearance**—be well-groomed and dress appropriately.
- **Professionalism**—internships lead to professional contacts that become important when you enter the job market. Be confident and courteous, ambitious and friendly.

**Internship Requirements**

To successfully complete the requirements of your internship, each student must:

1. Keep a **daily** log that describes and explains what you did each day during your internship. Two or three sentences after each day’s work will suffice. This must be turned in with your midterm report and final report (see below).
2. Develop an internship portfolio that includes **samples of the work** you executed during your internship. Submit this at the conclusion of your internship in a format that is attractive and easy to use.
3. Write two reports, one at midterm and one at the conclusion of your internship. These reports should discuss your internship experience (see attached guidelines).
4. Make sure your internship supervisor/coordinator completes and submits an evaluation form (attached). *(Note: This evaluation form may be completed and submitted via the School of Mass Communication and Journalism website--www.usm.edu/mcj)*
5. Make sure you complete and submit an evaluation form (attached).
Special exception:
From time to time, a student has a unique opportunity to do an internship and does not have the required hours and/or GPA to do so. If the student wants to pursue an internship without the required status, he or she must complete the form below and secure his or her adviser’s signature. This must be submitted with the Internship Applications Part 1 and Part 2.

Intern Evaluation

To be completed at the **midpoint and the completion** of the internship

Students earn grades for internships much like any other class at USM. Please take a few minutes to complete this evaluation form to help us determine a fair grade for your intern. Midterm evaluations are used to assess the intern’s progress and to monitor your satisfaction with him/her so that adjustments may be discussed with the intern if needed. The final evaluation will be used to help determine a grade for this intern. He/she will also complete two reports, turn in a daily log of his/her activities, and submit a portfolio for evaluation that will be used to determine a grade. **Thank you for taking time to help us with this task.**
