How stressed are you?
Source: Headington Institute

Please note that this scale is not a clinical diagnostic instrument and is provided for educational purposes. It merely identifies some of the more common symptoms of stress. If you have any concerns about your state of emotional health, you should consult with a mental health professional.

**Instructions:** In the last month, how often has the following been true for you?
For each question, write the number that fits your reality on the line before the question.
