Reviewing All Prior Credit: Make Sure You Have All the Credits You Earned!

Many Southern Miss students have prior credit from other institutions, either because they are transfer students or because they took dual enrollment or AP classes in high school. We want to ensure that you are receiving credit for ALL of your prior work and that your transfer credits and/or test credits are appearing properly on your SOAR account. Use this guide to review what the Office of Admissions has currently added to your account and let us know if changes need to occur.

HOW DO I SEE MY TRANSFER CREDITS ON MY ACCOUNT?

1. After logging into SOAR, click on the Student Center icon.

2. From the “other academic” dropdown menu, select “Transfer Credit: Report and click the >> button.

3. Verify all transfer work has been posted.
