The University of Southern Mississippi

Who is eligible to enroll?

All Graduate Assistants, Residence Assistants and International Students/Scholars engaged in Educational activities or research related activities through the University are automatically enrolled in this insurance plan on a hard waiver basis. All Full-Time Domestic Students are eligible to enroll in this insurance plan on a voluntary basis.

If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

**Healthiest You: 24/7 Doctor Access**

Starting on the effective date of your policy, you have 24/7 access to medical advice through HealthiestYou, a national telehealth service. By calling the toll-free number listed on the front of your medical ID card or visiting [www.telehealth4students.com](http://www.telehealth4students.com), you have access to board-certified physicians via phone and/or video, where permitted. This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor’s office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor’s office, urgent care facility, or emergency room. As an insured with StudentResources, there is no consultation fee for this service.* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*If you are an Insured under this insurance Plan, and you call prior to the plan effective date, you will be charged a $40 service fee before being connected to a board-certified physician.
